SUMMER OPPORTUNITY FOR HIGH SCHOOL STUDENTS

Application Deadline: February 15, 2005

The Hutton Junior Fisheries Biology Program, sponsored by the American Fisheries Society designed to stimulate interest in careers in fisheries science and management among groups underrepresented in the fisheries professions, including minorities and women. Students (Grades 10-12) spend 8 weeks in the summer working alongside their mentor who is a fisheries professional in their local community. Participants receive a \$3,000 scholarship paid out in 6 installments over the summer months. Applications can be downloaded from the website.
