Subject: Correction: Multiflora Rose & Purple Loosestrife Experts Needed

The native biodiversity conservation workshops within Blair, Huntingdon, and Mifflin counties, will be held sometime in August. The August 5-7 dates given in the previous email conflict with the PA Invasive Plant conference dates.

Thanks,  
Kristin Sewak

The Pennsylvania Biodiversity Listserve encourages open discussion about biodiversity issues in the state. It is hosted by the Allegheny Institute of Natural History, University of Pittsburgh-Bradford and is moderated by the Pennsylvania Biodiversity Partnership. The opinions expressed in messages are those of the authors and NOT the Pennsylvania Biodiversity Partnership.
