Subject: PABIODIV: Lower Merion Conservancy has job opening for stream biologist

The Lower Merion Conservancy, a land trust located just west of Philadelphia, has an immediate opening for a passionate Biologist/Conservation Coordinator for a full-time salaried position. Our Conservation Coordinator manages an ambitious long-term volunteer stream monitoring program, creates and oversees restoration projects, communicates to the community the importance of healthy streams through testimony and writing, manages an ongoing songbird survey, maintains a native wildflower garden, helps conduct education programs, write grants and newsletter articles, and more. Applicants should possess BS in biology, environmental science or a related field with at least 1 year experience in comparable employment. Should be proficient in chemical testing, invertebrate surveys, insect ID, habitat assessments, etc. Teaching/public speaking a plus, proficiency in Excel, Word necessary. Salary commensurate with experience, and progressive benefits package includes health plan, vacation, professional development, and more. Email cover letter, resume, and references to Mike Weilbacher, Executive Director at mike@dragonfly.org.

Please do not attach photos in your email.

Thank you!

Mike Weilbacher  
Executive Director  
Lower Merion Conservancy  
610-645-9030
