Subject: PABIODIV: Clarion River cleanup

Clarion River Cleanup

Are you tired of seeing litter along the river banks and roadways?

Come do your part, help cleanup the "Wild and Scenic" area from Ridgway to Millcreek on the Clarion River. We hope to get enough volunteers to clean 51.7 miles of waterway, the river banks and also the roadways that follow the river. May 6 & 13 (May 20 rain date)

Meet at Pale Whale Canoe Rental in Cook Forest at 9 am. Registration, safety talk, and equipment disputation will take place only at that location. You will then be assigned an area to clean. Anyone who registers will be in the drawings for local door prizes and as part of the Great PA Cleanup contest. Anyone wishing to donate please call the office.

Please dress appropriately. Parental consent form for under age 18 required. No child under age 12 will be permitted in the water in a canoe but there are many areas that any age can help clean within Cook Forest & Clear Creek State Parks and along River Road.

Lunch will be served at Pale Whale. Questions or to pre-register call 814-856-3291

This cleanup is registered as a Great PA Cleanup and also as a National River Cleanup.

PA CleanWays-Jefferson, Clarion and Clearfield is the coordinator of this event. Funding for this project is provided through the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation and Conservation, Community Conservation Partnerships Program, private and business donations.

Any question please call 814-856-3291
