Forwarded from ENVIRO-NEWS

A new dynamic bibliography on conservation buffers is now available from the Water Quality Information Center at the National Agricultural Library (NAL). Literature citations in the bibliography are from NAL's AGRICOLA database.

As subsets of this bibliography, six bibliographies were produced that focus on specific types of conservation buffers.

The bibliographies are accessible from <http://www.nal.usda.gov/wqic/Bibliographies/dynamic.html>.

A public-private partnership to conserve biodiversity statewide

The Pennsylvania Biodiversity Listserve is intended to promote discussion of biodiversity issues in the state. It is moderated by the Pennsylvania Biodiversity Partnership (PBP) following guidelines posted at <http://www.pabiodiversity.org/listserve.html>. The opinions expressed in messages are those of the authors and NOT the PBP. To unsubscribe, send the message UNSUBSCRIBE PABIODIV to majordomo@webmail.upb.pitt.edu.
