Subject: PABIODIV: Listserv archives

Dear PABIODIV subscribers,

Thanks to the efforts of Merewyn Boak of the Pennsylvania Biodiversity Partnership, the entire archives for the PABIODIV listserv have been posted to the PBP website. Each message distributed to the list since its inception in April 2002 is available in .pdf format via the listserv homepage, which is <http://www.pabiodiversity.org/listserv.html>

The PBP anticipates developing a search function to improve access to specific topics in the future. Regardless, the archives should still be useful in its present format.

Enjoy!

Ken Klemow
