Subject: PABIODIV: Native Plant Sale at Bowman's Hill Wildflower Preserve

## Fall Native Plant Sale at Bowman's Hill Wildflower Preserve

Bowman's Hill Wildflower Preserve will hold its annual Fall Native Plant Sale on Saturday and Sunday, September 9 & 10, 16 & 17 from 10 a.m. to 4 p.m. each day. More than 200 species of nursery-propagated native perennials, shrubs, trees, vines and ferns native to Pennsylvania, New Jersey and the Delaware Valley region will be offered. Knowledgeable staff and volunteers will be on hand to help you choose plants and answer questions. The sale is held at the Preserve, located on 1635 River Road (PA Rt. 32) about 2.5 miles south of New Hope, Pennsylvania and convenient to I-95. For directions, visit <http://www.bhwp.org>, click on 'Visiting BHWP', then 'Location, Directions & Map'. Native plant sales help support the Preserve's educational programs. During the growing season, a smaller selection of plants than offered at the plant sales also is available for purchase. Please note that we do not produce a catalog for the Fall Sale. Also, we don't accept pre-orders, reserve or ship plants. A selection of featured plants includes:

### Trees:

*Asimina triloba* – pawpaw

*Diospyrus virginiana* - American persimmon

### Shrubs:

*Aronia melanocarpa* - black chokeberry

*Ilex glabra* - white-fruited inkberry

*Juniperus virginiana* - red juniper (low, spreading selection)

*Myrica pensylvanica* - Northern bayberry (female plants w/ aromatic silvery fruit & persistent winter foliage)

*Cornus sericea* - red-osier dogwood (green leaves w/ wide white margin, yellow stems in winter)

### Perennials:

*Campanula americana* - tall bellflower

*Heliopsis helianthoides* - false sunflower

*Monarda punctata* - spotted bee-balm

*Spiranthes cernua odorata* - nodding ladies's tresses orchid

### Ferns:

*Dryopteris x australis* - dixie fern

*Dryopteris marginalis* - marginal wood fern

*Polystichum acrostichoides* - Christmas fern

*Thelypteris palustris* - marsh fern
