Dear Subscriber to PABIODIV,

I am pleased to announce that PABIODIV now has a homepage. The present URL is <http://wilkes1.wilkes.edu/~kklemow/PABIODIV-home.html>. The page contains information about the purpose of the listserv, subscription information, and directions on posting messages. You should particularly note that an archive has been developed and is now available. The direct URL is <http://wilkes1.wilkes.edu/~kklemow/PABIODIV-archive.html>. I welcome any suggestions or proposed additions concerning the listserv homepage.

Please also be aware that the homepage for the PA Biodiversity Partnership (which sponsors PABIODIV). Is also under development. We encourage any ideas that you may have for that web resource, as well.

KMK

The Pennsylvania Biodiversity Listserv encourages open discussion about biodiversity issues in the state. It is hosted by the Allegheny Institute of Natural History, University of Pittsburgh-Bradford and is moderated by the Pennsylvania Biodiversity Partnership. The opinions expressed in messages are those of the authors and NOT the Pennsylvania Biodiversity Partnership.
